

2024 MEDICARE PRIOR AUTHORIZATION REQUEST FORM

Botulinum Toxins - Medicare

Phone: 215-991-4300

Fax back to: 866-371-3239

Jefferson Health Plans manages the pharmacy drug benefit for your patient. Certain requests for coverage require review with the prescribing physician. Please answer the following questions and fax this form to the number listed above.

PLEASE NOTE: Any information (patient, prescriber, drug, labs) left blank, illegible, or not attached WILL delay the review process.

Form with fields: Patient Name, Prescriber Name, Member Number, Date of Birth, Line of Business, Address, City, State ZIP, Primary Phone, Fax, Phone, Office Contact, NPI, State Lic ID, Specialty/facility name (if applicable).

REQUEST FOR EXPEDITED REVIEW: By checking this box and signing below, I certify that applying the 72 hour standard review timeframe may seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

Form with fields: Drug Name, Strength, Directions / SIG

Please attach any pertinent medical history including labs and information for this member that may support approval. Please answer the following questions and sign.

Q1. Is this a renewal request? Q2. FOR RENEWALS: Has the prescriber provided medical documentation to support the need for repeat treatment(s) occurring no sooner than every 3 months? Q3. FOR INITIAL REQUESTS: Is the patient greater than or equal to 18 years of age with a documented diagnosis of overactive bladder (OAB) with symptoms of urge urinary incontinence or urinary incontinence due to detrusor overactivity associated with a neurologic condition (e.g., spinal cord injury, multiple sclerosis)? Q4. Has the patient had an inadequate response or intolerance to at least one anticholinergic medication (e.g., oxybutynin / oxybutynin ER, tolterodine / tolterodine ER, trospium / trospium ER, etc.)?
