Blood Pressure Cuff Quick Reference Guide

Ordering Options

Two types of cuffs are available to members.
Please note: both cuff options accommodate XL arm sizes.

	Standard Adult BP Cuff
	8.6" – 16.5" arm circumference
	Manufacturing: A&D Engineering

	Bluetooth Enabled BP Cuff
	9" – 17" arm circumference
	Manufacturing: Omron Healthcare

Benefit Info

- Blood pressure cuffs can allow patients to monitor their blood pressure and report their results based on your direction.
- Bluetooth-enabled cuffs are covered for Health Partners Plans Medicaid and CHIP members and Jefferson Health Plans Medicare Advantage and Individual and Family Plans members.
- A prescription from a provider is required.
- Members with a hypertension diagnosis and/or currently pregnant are eligible.
- Members with other conditions, and/or needs, may also be eligible if medically appropriate. No prior authorization is required.
- No age limits apply.
