### **RE: Participating Laboratory COVID-19 Testing**

Dear Providers,

Health Partners Plans (HPP) recently identified a discrepancy in the reimbursement for COVID-19 testing to participating laboratories.

HPP corrected the discrepancy, retroactive to April 1, 2020, to reflect a payment equal to 100% of the Pennsylvania Department of Human Services (DHS) fee schedule when COVID-19 testing is rendered by a participating provider.

If you have any questions, please contact our Provider Services Helpline at **1-888-991-9023**, Monday – Friday, 9 a.m. – 5:30 p.m.

We appreciate your continued support in managing the needs of our members.

Sincerely,

*Michael K. Krusen*
