PRIOR AUTHORIZATION REQUEST FORM

Health Partners Plans

Hereditary Angioedema Agents

Phone: 215-991-4300

Fax back to: 866-240-3712

Health Partners Plans manages the pharmacy drug benefit for your patient. Certain requests for coverage require review with the prescribing physician. Please answer the following questions and fax this form to the number listed above.

PLEASE NOTE: Any information (patient, prescriber, drug, labs) left blank, illegible, or not attached WILL DELAY the review process.

Form with fields: Patient Name, Prescriber Name, HPP Member Number, Date of Birth, Patient Primary Phone, Address, City, State ZIP, Line of Business, Drug Name, Quantity, Directions, Diagnosis Code, Diagnosis, etc.

HPP's maximum approval time is 12 months but may be less depending on the drug.

Please attach any pertinent medical history including labs and information for this member that may support approval.

Please answer the following questions and sign.

Q1. Has the patient previously received prior authorization approval for the requested drug? If Yes, go to 18.

Yes/No checkboxes

Q2. Is the requested medication being prescribed for an indication that is included in the U.S. Food and Drug Administration (FDA)-approved package labeling OR a medically accepted indication?

Yes/No checkboxes

Q3. Is the patient age-appropriate according to FDA-approved package labeling, nationally recognized compendia, or peer-reviewed medical literature?

Yes/No checkboxes

Q4. Is the prescribed dose for the requested medication consistent with FDA-approved package labeling, nationally recognized compendia, or peer-reviewed medical literature?

Yes/No checkboxes

Q5. Is the requested medication being prescribed by or in consultation with an appropriate specialist, such as an allergist/immunologist, hematologist, or dermatologist?

Yes/No checkboxes

Q6. Does the patient have a history of contraindication to the prescribed medication?

Yes/No checkboxes

Q7. With the exception of requests for short term prophylaxis (e.g., surgical or dental procedure), will the requested
