

HEALTH PARTNERS PLANS
PRIOR AUTHORIZATION REQUEST FORM

Health Partners Plans

Cytokine and CAM Antagonists

Phone: 215-991-4300

Fax back to: 866-240-3712

Health Partners Plans manages the pharmacy drug benefit for your patient. Certain requests for coverage require review with the prescribing physician. Please answer the following questions and fax this form to the number listed above.

PLEASE NOTE: Any information (patient, prescriber, drug, labs) left blank, illegible, or not attached WILL DELAY the review process.

Form with fields: Patient Name, Prescriber Name, HPP Member Number, Date of Birth, Patient Primary Phone, Address, City, State ZIP, Line of Business, Drug Name, Strength, Quantity, Refills, Directions, Diagnosis Code, Diagnosis.

HPP's maximum approval time is 12 months but may be less depending on the drug.

Please attach any pertinent medical history including labs and information for this member that may support approval.

Please answer the following questions and sign.

Q1. Is this a request for renewal of therapy with the requested drug (i.e., The requested drug has been previously approved on prior authorization)?

Yes No

Q2. Is the requested drug prescribed for the treatment of a diagnosis that is indicated in the United States Food and Drug Administration (FDA)-approved package labeling or a medically accepted indication?

Yes No

Q3. Is the patient age-appropriate according to the Food and Drug Administration (FDA)-approved package labeling, nationally recognized compendia or peer-reviewed medical literature?

Yes No

Q4. Is the requested drug prescribed by or in consultation with an appropriate specialist (e.g., gastroenterologist, dermatologist, rheumatologist, ophthalmologist, immunologist, genetic specialist, etc.)?

Yes No

Q5. If currently using a different Cytokine and CAM Antagonist, will discontinue the use of that Cytokine and CAM Antagonist prior to starting the requested medication or requires the use of 2 Cytokine antagonists according to peer-reviewed medical literature, or has 2 or more diseases for which a single agent is not sufficient.

Yes No

Q6. Does the patient have any contraindications to the requested drug?

Yes No
