PRODUCT VARIATIONS

This policy only applies to Health Partners Plans' (HPP) Medicaid product line.

POLICY STATEMENT

HPP will reimburse for Tobacco Cessation services up to 70 visits per calendar year when the following criteria are met:

- Providers must be approved by the Department of Health (DOH) as a Tobacco Cessation Program (TCP) in order to provide Tobacco Cessation Counseling (TCC) services.
- Providers must apply for an individual PROMISE* number as a TCP.

**Please note that HPP will receive the PROMISE Number identifying an individual or entity as a TCP directly from DHS once all steps are complete.*

POLICY GUIDELINES

Please follow the steps listed below to enroll:

- Complete the DOH “Every Smoker, Every Time” online training and “Pre-Approved Tobacco Cessation Registry Application” and be subsequently approved by DOH as a Tobacco Cessation Provider (TCP).
- DOH’s training, application and contact information are located at:
<https://www.health.pa.gov/topics/programs/tobacco/Pages/Registry.aspx>
- DOH will send a fax to confirm that your application has been approved. They will also send a link to the DHSMA application for the PROMISE number. You must then apply for a PROMISE number as a TCP.
- The DHS MA PROMISE number application is located at:
<https://www.dhs.pa.gov/providers/Providers/Pages/PROMISE-Enrollment.aspx>

Smoking and tobacco cessation counseling visit should be reported with a diagnosis of nicotine dependence, toxic effect of tobacco and nicotine, or personal history of tobacco use.

NOTE: FQHCs and RHCs are paid an all-inclusive, per encounter payment rate. FQHCs and RHCs are to submit claims for Tobacco Cessation Counseling services when provided at the time of a face-to-face visit, using procedure code T1015, defined as “clinic visit/encounter, all-inclusive”. FQHCs and RHCs should submit claims reflecting TCC procedure codes for Tobacco Cessation Counseling services.

CODING

The Current Procedural Terminology (CPT®), Healthcare Common Procedure Coding System (HCPCS), and the 10th revision of the International Statistical Classification of Diseases and Related Health Problems (ICD-10) codes that *may* be listed in this policy are for reference purposes only. Listing of a code in this policy does not imply that the service is covered and is not a guarantee of payment. Other policies and coverage guidelines may apply. When reporting services, providers/facilities should code to the highest level of specificity using the code that was in effect on the date the service was rendered. This list may not be all inclusive.
